Inspection report on the house of Bheemasena Rao, clerk, Government Stationery depot situated in Basavan-gudi Extension:-

I inspected the house on the 21st instant. The Municipal sub-overseer accompanied me to help me in valuation of the house and other technical matters.

From the books of this office it is seen that the first advance of Rs 300 has been fully adjusted.

The house is a small one and the owner proposes to build a verandah and a latrine. My rough valuation of the house is Rs 300 and the Municipal sub overseer's is Rs 370.

The owner alleges that the house is free from incumbrances and that he has not insured his life.

As a special case the loan asked for may, it is submitted be sanctioned.
